

CALF & LAMB SUPERSTART

**HIGH ENERGY COMPLEMENTARY COLOSTRUM
FEED FOR CALVES AND LAMBS.**

1. CALF & LAMB SUPERSTART is a quality colostrum powder uniquely derived directly from Bovine Colostrum (beastings).
2. Provides primary immunoglobulin (Igg's) to both calves and lambs for vital immune system development.
3. High energy complimentary feed containing beneficial levels of naturally sourced bovine colostrum in an energy rich base for immediate response.
4. A premium colostrum product produced from high health status herds, resulting in a product certified free from TB, EBL, IBR and Johnes.
5. Provides vital primary nutritional support to give lambs and calves the best start to life.
6. High fat content ensures a high energy source for the newborn and also facilitates the uptake of fat soluble Vitamin A, D3 and most importantly Vitamin E.
7. A strong Trace Element and Vitamin package aids the immune system in defending against pathogenic and bacterial organisms.
8. When quantity or quality of colostrum is inadequate, CALF & LAMB SUPERSTART provides a highly digestible source of immunoglobulins, energy and protection.
9. Easy mixing formulation.
10. Number of feeds per container:

Quantity	No. of calf feeds	No. of lamb feeds
2.5kg Tub	12.5	100
1kg Tub	5	40
400g Tub	2	16
200g Tub	1	8
200g Bottle	1	8

11. Shelf Life: 18 months from date of manufacture.
12. Store in a cool, dry place in original container between 5-25°C.
13. Available in 2.5kg, 1kg, 400g, 200g tubs & 200g re-usable bottle.
